

European University Quality in eLearning

Objectives

UNIQUE aims to enhance the reform process of European higher education institutions by creating, testing and launching an eLearning quality label for ICT-use in higher education. In this way UNIQUE wishes to improve higher education eLearning processes and management.

The UNIQUE Label is being built by combining the Peer Review methodology, developed in MASSIVE and the programme accreditation for teChnology-Enhanced Learning (CEL) designed by European Foundation for Management Development (EFMD), the Swiss Center for Innovations in Learning (SCIL) and Spirit Applied Learning Solutions AG

Coordinator
